Guitar Legend from the West joins Guitar Heroes in the East

Taken from Guitar Heroes:Guitar Fest Media Release, April 2007:

"Being launched in Sydney, Labour Day Long Weekend, 2007, is the Guitar Heroes: Guitar Fest, an exciting salute to the Guitar and Guitarists from all musical genres. Guitar Heroes: Guitar Fest will feature profiled players from Rock, Metal, Country, Blues, Jazz, Funk and Classical. A hot mix of International and National Guitarists are being included in this Guitar Celebration. Cole Clark endorsed International Blues exponent Lloyd Spiegel and the Guitar Shaman from Oz Graham Greene, endorsed by Ormsby Guitars, are just two in the pipeline for Guitar Heroes: Guitar Fest 2007."

Graham Greene will be appearing in Sydney for the inaugural Guitar Heroes:Guitar Fest, running from October 5th to October 7th, where he has been invited to perform tracks from his current album *Leap Of Face*.

As well as performing solo shows with his band and conducting clinics for endorsement partners Ormsby Guitars and Mesa Engineering, Graham will be appearing as a guest artist at other events throughout the festival. GH:GF 2007 will also be the national live debut for Graham's signature series guitars, the GG6 and GG7 from Perry Ormsby.

In celebration of his eastern states visit, Graham will be performing some special Perth gigs with his band (show dates TBA), giving local crowds a taste of the show that will be heading east. In concerts guaranteed to entertain and exhilarate, Perth's own Guitar Hero will be showing exactly what Australian rock fans have always known - that guitar magic is not just the domain of the northern hemisphere guitar gods. Having already been acclaimed as "Perth's answer to Steve Vai" and "the Satriani of the South" in Australian Guitar Magazine, Graham Greene is living proof that world class instrumental guitar rock is alive and well and Living in Oz.

Graham Greene

When Graham takes to the stage, you know it's going to be good. His reputation as a player and performer has been earned through thousands of gigs around Western Australia and across the country. Given the caliber of his past bands, it is no surprise that his own live band is of the highest level when it comes to taking his music on the road.

After 25 years of service to his industry, Graham plays with the passion and fire that the years have given him, and his band mates keep up with him note for note. Graham Greene is about to embark on the next stage of his musical journey with his best music to date, and Australia is invited to come along for the ride!
